EE-I-EE-I-O!

The ingredients we use in our yummy kids dishes come from local suppliers across Scotland. Brighten up our little farm helper by decorating our scene with lots of lovely colours!

1.

EDINBURGH ZOO

We're big fans of the Edinburgh Zoo here at the Grand Café. With Europe's only pandas, the famous penguin parade and Sumatran tigers, what's not to love? It is definitely a treat for all ages... not just the kids!

2.

DYNAMIC EARTH

Dynamic Earth is the only visitor centre in the UK dedicated to telling the life story of planet Earth. Expect cutting edge technology and state of the art interactive displays before being transported hundreds of millions of years back to the very beginning of time.

PLACES TO SEE

A list of Edinburgh's best things to see & do for little ones!

3.

EDINBURGH DUNGEON

The Edinburgh Dungeon brings together an amazing cast of theatrical actors, special effects, stages, scenes and rides in a truly unique and exciting walk through experience that you see, hear, touch, smell and feel. It's hilariously fun and sometimes a bit scary.

4.

EDINBURGH CASTLE

This famous fortress is one of the most exciting historic sites in Western Europe. Set in the heart of Scotland's dynamic capital city it is sure to capture your imagination and the scenery will take your breath away
